CLAIM OF PRIORITY UNDER 35 USC 119

Sir:

In order to perfect the foreign priority claim to GB 0100078.5, filed January 3, 2001, a Supplemental Application Data Sheet in accordance with 37 CFR 1.76(b)(6) is attached hereto. A certified copy of the aforementioned foreign application was submitted to the U.S. Patent Office in PCT/US02/00242 to which the present application claims priority under 35 USC 120. The Commissioner is hereby requested to obtain a copy of the aforementioned certified copy of the foreign application and use that copy in the present application.

No fees are believed to be due at in connection with this request. If, however, a fee is due, the Commissioner is requested to charge such fee, or credit any overpayment to Deposit Account No. 50-3447.

Respectfully submitted,

Michael V. Drew
